ハーグ

WELCOME ようこそ

Yuzu is located on Bierkade inside a former garage, right next to Chinatown, off the beaten track. Far from your traditional sushi place, we will take you somewhere totally different.

With Asian- influenced food and a Japanese robatayaki grill, our menu features dishes that are mouthwatering, no-nonsense, and rock & roll, all at the same time.

Think Japanese, Korean and Chinese dishes combined with local ingredients.

Yuzu is what happens when you have a strong team of dedicated friends, who also happen to be professionals, overlooking every aspect of the operation, each bringing with them a wealth of knowledge and international experience.

As LCD Soundsystem's James Murphy once said: "So you wanted a hit?! Well, this is how we do hits!"
